- Adventure Experiences
- Walking Tours and Sightseeing Experiences

As a StudyPerth Education Member, you can choose from our range of immersive WA experiences and tours to supplement any of your own Recruitment familiarisation programs or the WA Government’s International Education Familiarisation Program.

By adding a couple of WA Experiences to your familis, your Recruitment Agents will get a better feel for the state and be more engaged in promoting the State to prospective international students, and raising awareness of our State’s international education offerings.

Courtesy of funding from the WA Government, StudyPerth will coordinate and cover the total costs of these chosen WA experiences on behalf of your institution.

Please note you do not need to have applied for WA Government funding to access our WA Experiences Familis Program; this means you can access our program for any individual familis you are coordinating.

To access the program, browse the program brochure and fill in the expression-of-interest form found on StudyPerth’s website at www.studyperth.com.au/familis. From there, StudyPerth’s Business Events and Familis Coordinator will contact your team to work through the finer details.

StudyPerth’s WA Experiences Familis Program closes on Sunday, 31 December 2023 or earlier if funding has been exhausted.
